

The Second Passport Comparison Sheet

35 citizenship routes compared: visa-free power, requirements, timelines, and true all-in cost.
2026 edition | libertymundo.com/citizenship

Every route below is written into that country's nationality law. "Visa-free" is the approximate count of destinations the passport reaches without a visa; "All-in cost" is the typical total including government and professional fees, not the teaser figure. Passport rankings move constantly; see the live standings at libertymundo.com/passport-freedom-index.
